You cannot win them all!

Judges choice

6 criteria with 100 points max. per judge

Creativity of execution / Wow-effect

How creative is the execution of the project? Did the team come up with new use-cases, big opportunities or surprises? Novelty elements. (20 points)

UX / Polish

How is the design and user experience of the project? Is it easy to understand and use? Did the team put thought into the user experience? (10 points)

Technical complexity

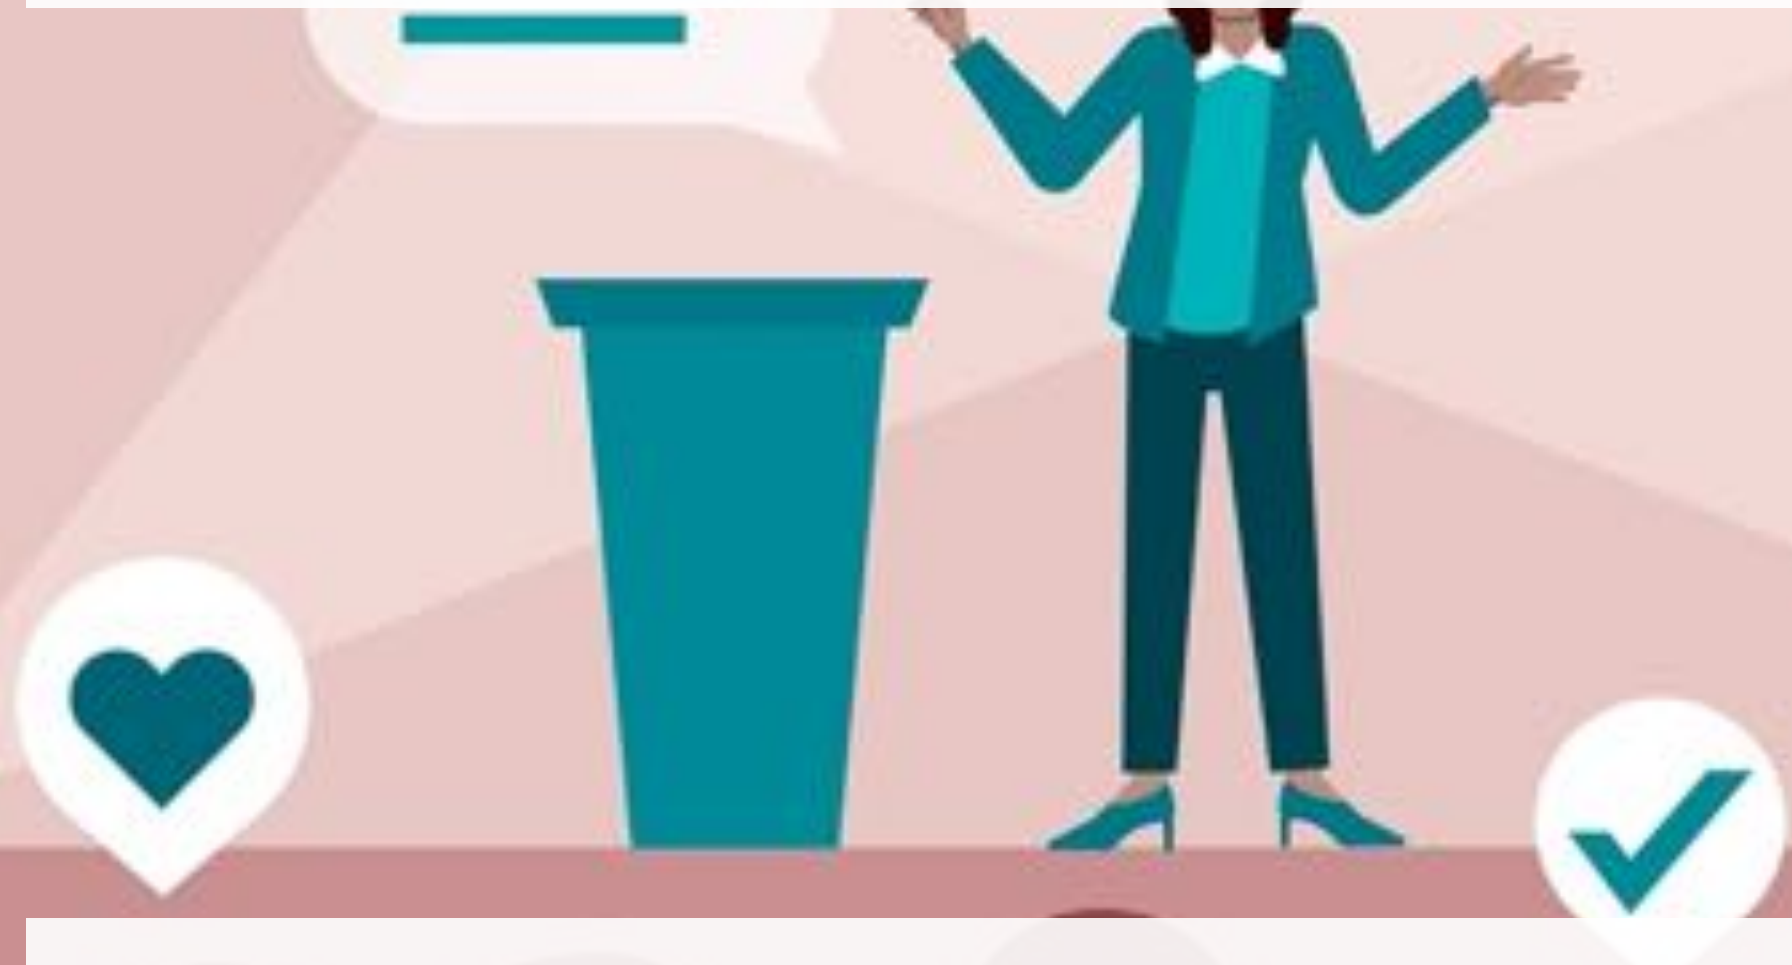

How technically impressive was the hack? Was the technical problem the team tackled difficult? Did the technology involved make you go “Wow”? (10 points)

Collaboration

A close-up photograph of several hands of different skin tones stacked on top of each other in a circle, symbolizing teamwork and collaboration. The hands are of various colors, including dark brown, light brown, and tan. The background is a plain, light-colored surface.

How well did the team collaborate? (20 points)

Presentation

Did the team present a functioning solution? Did the team stay within the time limit of their presentation? Did the team communicate their project and its value? (20 points)

Challenge completed

Did the team achieve what they wanted to achieve? Did the team achieve your goals? (20 points)
